Dear Sir,

Re-TARIFF CLASSIFICATION OPINION ON AERIAL CLAMP

Reference is made to your application dated 16/11/2018, seeking Tariff Classification Opinion on Aerial Clamp. The technical data sheet and sample provided revealed that the item is an Aerial Clamp.

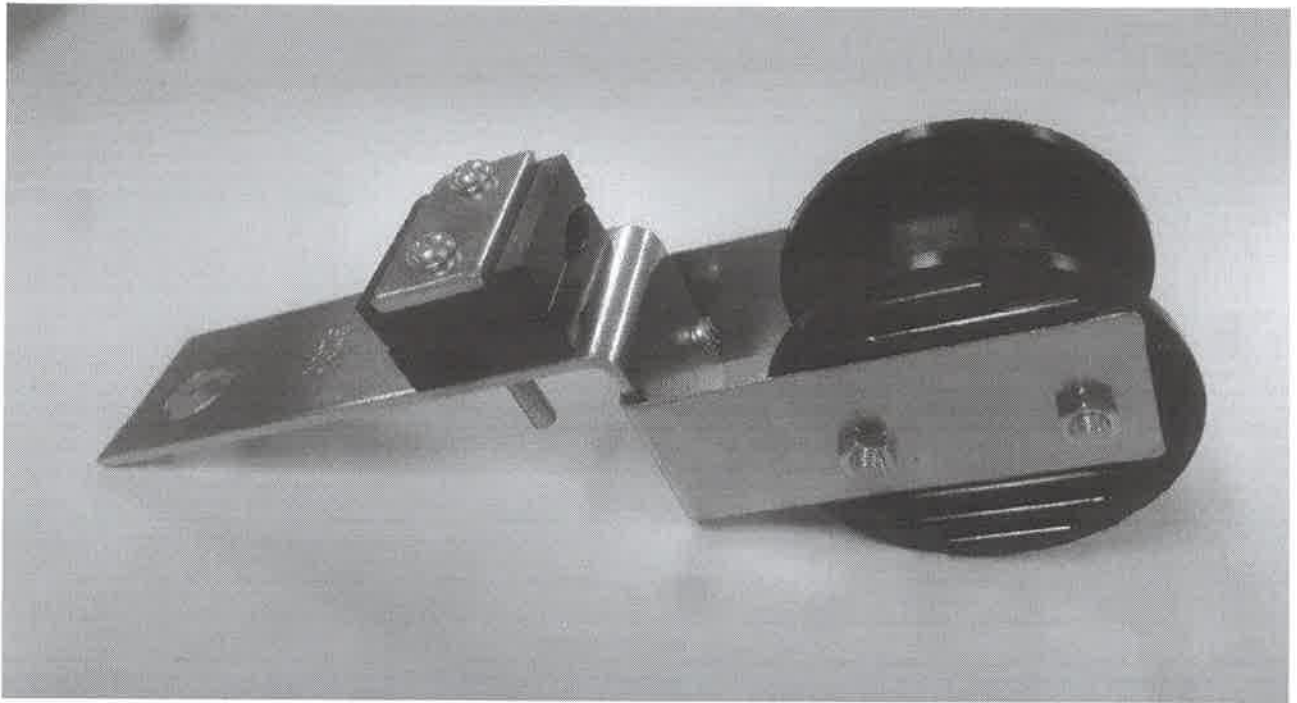

Aerial Clamps is made of iron and steel are fittings for electric wiring and also provide support to electric cables protecting electrical circuits or for making connections to or in electrical circuits. A clamp is a device used to hold or secure objects tightly together to prevent movement or separation through the application of inward pressure.

After review of the literature submitted and further research conducted it is noted that the Aerial Clamp shall be appropriately classified under the **HS 7326.90.90 by virtue of GIRs 1 and 6.**

The duty rate will be 32 % Fiscal and 9 % VAT.

The duty rates are provided for your convenience and are subject to change.

The illustration provided below is for your information and reference.

For any further clarification, please do not hesitate to contact the HS Committee on DFRCSHS-Valuation-ROO@frcs.org.fj

Yours faithfully,

Narendra Prasad
Enforcement and Monitoring Unit.
